

PORTALS

ALTERNATIVE THERAPY HEALING COURSE

October 7–9, 2016 in Long Beach, CA

A New Education for Therapists & Healers

Do you feel pulled to explore alternative therapy methods?

Are you feeling limited by traditional therapy?

PORTALS, a healing course of children and highly affective for adults, uses innovative techniques to bring about impactful breakthroughs with clients.

Christine Alisa, MS, MFT
& Alternative Therapist

Christine Alisa, MS is a traditionally based clinician and an Alternative Therapist for over 25 years.

She is the founder of Thriving Alternative Therapist Community, author, international speaker and trainer.

Learn to:

- Resolve childhood, prenatal, birth & past life trauma with clay, sand tray, drawing and writing exercises.
- Unblock sabotaging thoughts and behaviors through Regression Therapy, Gestalt Therapy and Shamanic processes.
- Implement her storytelling technique through successful proven case studies.

Special Presentation by Suzy Prudden:

New York Best Selling Author, International Speaker & Publisher. <http://suzyprudden.com>
